Men's Spirituality Program: “The Spirituality of Men's Sexuality – *The Gateway to the Temple Within*”

As men often we grow up not knowing much or confused about our male sexuality. We may not have talked about it with our family. We may have received mixed messages from many sources. We may even feel afraid, embarrassed, or ashamed. Our view of God may even make it difficult to find a healthy, spiritual male sexuality. Yet, as men, our sexuality is at the heart of who we are.

Join us on this experiential weekend retreat as we look deeper within the spirituality of men's sexuality. Explore with other men the gift and challenge of our sexuality, through teachings, rituals, silence and small group time. Celebrate with us the Palm Sunday entrance of Jesus into the Temple, and journey with him to discover your soul's freedom. This gathering is open to all interested men.
